

AUTHORIZATION TO USE CUSTOMER PROPRIETARY NETWORK INFORMATION (“CPNI”)

In the course of providing service to your company, NuVox will obtain and possess certain usage-related information about the quantity and type of the communications services your company uses. This information is referred to as customer proprietary network information (“CPNI”). As a practical matter, CPNI includes information such as the type of communications services that you purchase from NuVox (e.g., local service, long distance service, internet service), the features that you purchase (e.g., call waiting, caller ID), and your usage patterns.

Under federal law, you have the right, and NuVox has the duty, to protect the confidentiality of your CPNI. We may use your CPNI to tailor our products and services to your needs and to enhance our ability to meet all of your communications needs by making you aware of products and services that we believe may be of interest. We also may share this information with _____ (“Dealer”) for the purpose of marketing/selling NuVox products and services to you, to enhance your current service with NuVox, and to ensure accurate Dealer compensation. Dealer will not use this information for the purpose of selling non-communications related products and services.

By signing below, you consent to NuVox’s use and sharing of CPNI for the purposes described herein and to the persons/entities identified above. You may contact NuVox at 1-877-331-7077 at any time to deny use of your CPNI. You can visit our website at <http://www.nuvox.com/Legal/CPNI/index.htm> to review CPNI frequently asked questions.

Your consent to use CPNI is valid until revoked and your decision will not affect the quality of service that NuVox provides to you. If you prefer, you may fax this form to 1-866-273-8192 or email the form to cpnioptin@nuvox.com.
